Understanding the Concept of Annual Leave Encashment

What Is Annual Leave Encashment?

Annual leave encashment refers to the practice where employees receive monetary compensation for their unused leave days at the end of a specified period, usually annually. Instead of taking leave days off, employees can opt to encash their accrued leaves, resulting in a lump sum payment. This benefit is especially relevant for employees who are unable to take their leave due to workload, travel restrictions, or personal preferences.

Confidentiality and Sensitivity
