Key factors influencing viewer satisfaction include video resolution, buffering speed, interface design, and availability of supplementary content such as behind-the-scenes footage or cast interviews.

Official Streaming Services vs. Third-Party Sites

Additionally, official sites often update episodes promptly and provide additional features like episode summaries and user ratings. In contrast, third-party sites may offer episodes for free or at lower costs but often compromise on video quality and user security. Viewers risk encountering intrusive ads, broken links, or incomplete episodes. As a result, while these sites may serve as
