Goodwin emphasizes that Lincoln’s skill in managing his team was rooted not just in strategic appointments but in his profound empathy and understanding of human nature. His ability to listen, empathize, and persuade was essential in transforming rivals into collaborators. This makes digital access a more efficient option for widespread knowledge sharing.

Another subtle but important benefit of digital access is organization. Files can be categorized, backed up, and retrieved instantly. Readers can build structured digital libraries that grow over time without clutter.
