Understanding COSHH Data Sheets: Overview and Purpose

COSHH Data Sheets (sometimes referred to as Safety Data Sheets or SDS) are documents prepared by manufacturers or suppliers, including those offering products at Asda, that detail the hazardous properties, safe handling instructions, and emergency procedures related to chemical substances. These sheets are legally required under UK law for substances classified as hazardous. Purpose of Asda COSHH Data Sheets: To inform users about the hazards associated with specific products. To guide safe handling, storage, and disposal practices. To support compliance with COSHH regulations. To provide emergency response information. To help in risk assessments and staff training. The availability of these data sheets from Asda or affiliates makes it easier for responsible persons and safety officers to access key safety information quickly, ensuring workers and consumers alike are protected. --
